Hi all and welcome back to possum park. It may look a little different this week with new covid restrictions in place, but that won't stop the mighty blue and gold army from cheering on all our players throughout the day. Unfortunately I am under the stay at home order for around 9 more days so you will not see me strutting around the ground, I'm following the health advice from the experts! I ask you please help us out throughout the day, by wearing a mask, checking in with the QR code, following common sense and adhering to social distancing where practical. I stress that today we will not be covid police, we as a club can only encourage you to wear a mask and follow protocols, however it is expected & I have no doubt will be adhered to. A small price to pay to ensure we can continue with community sport! Today a few reshuffles have taken place to ensure the day runs smoothly, Geoff Seymour is acting president & Connor Griffin is acting football operations manager, please feel free to approach these two if you have any queries throughout the day. Good luck to all our teams today! The netball is always very competitive when coming up against the Tiges. With the footballers it is also shaping up to be a very competitive day. Wagga Tigers are always strong throughout all grades and have a winning mindset which has seen them taste the ultimate success for many years! I'm sure all our footballers and netballers are up for the fight and let's hope we can bring home 8/8 and continue our red hot form throughout our club. Unfortunately this week we had to cancel BRASHAT & sponsors day. We want to make sure these days are heavily supported and enjoyed by all in a safe environment & for that to be the case we felt postponing it was the best decision. Once again I welcome you to possum park for yet another ripping day! UP THE POSSUM EATERS!!

FIRST GRADE - JEREMY ROWE

To The MCUE Faithful, After a well-earned break over the long weekend we were back at it out at The Plah. We welcomed Leeton who we acknowledge are in a development season but we were always going to offer them respect as they have some star players at the top end of their list and had put in some performances that showed they could hang in there with teams above them on the ladder. In the early stages our intensity was down, as was our defensive intent. This was disappointing as we had freshened up over the bye and we were looking for more energy in the initial stages. The quarter time score was 3.2 to 1.2 and the game was a fairly mediocre affair at this point in time. Thankfully after the break our intensity lifted, we applied manic defensive pressure, quickly picked up our man on the turn over and when we had ball in hand we were nothing short of scintillating. Our ability to run hard from behind, give hands with width and arc and take yardage was notable as we sent the ball inside 50 to our forwards advantage and cashed in with a 9 goal quarter. In the second half we continued this good work and whilst the odd issues popped up during the afternoon, to our players credit they fixed these quickly made every post a winner. Outside of a couple of missed opportunities in front of goal, being a bit sloppy with our defensive bumper bars and the fact that we struggled to contain some of Leeton's better midfielders in general play, it really was a comprehensive performance and one we can be very happy with. Statistically it was a brilliant day at the office as we amassed 146 more disposals than our opponent yet out tackled them which shows were willing to go both ways. Our midfielders won the clearance battle despite Leeton winning the hit outs and boasting some stars within their midfield group. Finally our % of scoring shots relevant to how many times we went inside 50 was unbelievable and shows that our entries were crisp and our forwards were doing their job at the pointy end. The most important stat of all is of course the score and one can never not appreciate a 125 point victory! In a win like this you would expect to have a number of strong contributors and this day was no different with Sam de Sousa, Trent Cohalan and Ryan Price all playing very well throughout the whole afternoon. 6th best was Jono Male who has had an immediate impact since coming back from his ankle injury. His ability to apply pressure (6 tackles), hit the score board (3 goals) and cover a great deal of territory to influence the game of footy has been a credit to him. Our skipper, Paddy Griffin played his small forward role to a tee with 4 crumbing goals that were a great reward for the effort Paddy has put in to adjust to this years new forward role. Trent Castles continues to show what a special player he is with another 9 goal haul whilst George Kendall had an absolute day out in the CHF position. George took a whopping 16 marks, had 29 possessions and kicked 3 goals in a performance that was great reward for his never ending efforts in regards to presenting to the ball carrier. 2nd best was Brayden Ambler who had a game high 8 clearances which was made extra special by the fact that he was opposed to ex AFL player Sam Darley at the stoppages. Finally, best on ground and our mug went to the bloke that will never get thirsty, Ryan Turnbull. Rabs had a huge 35 possessions and ran himself into the ground getting in to the right spots to receive the footy. More impressive is how composed Rabs was with ball in hand and his efficiency level was incredible on the weekend as it has been all year. We must again acknowledge our milestone men, Trent Cohalan (250), Tom Keogh (150), Ethan Schiller (100) and George Kendall (50). We congratulate you all and appreciate the efforts you have put forth for our club over the years. Our final mention goes to Trent Castles who ended the day on 999 career goals. It would have been terrific to celebrate 10 goals and 1000 on this day however we now look forward to Trent achieving the 1000 this weekend. After another bye we are now ready to take on the Tigers and we can't wait to welcome them out the The Plah. We set lofty standards in our performance against them in Rd2 and we are clearly wanting to put forth a similar performance this weekend. Despite some inconsistent recent form, as a group, we still consider Tigers to be a genuine challenger and threat to our season. We know that they are a proud club wanting revenge and we know that we will have to be at our best to topple them this weekend and that is exactly what we intend on doing this Saturday. See you at The Plah, Regards Jeremy

RESERVES - NAT DAVIS

G'day all and welcome back to another big weekend at Possum Park! What a terrific day we had against Leeton last weekend. It was a super performance from the club as a whole and a great way to celebrate with our Miss Mango in the evening. Massive credit to all the participants of this but a huge shout out needs to go to Scooter for his big win! Seemed to really know what he was doing in those heels! And now to the footy. Was a really solid performance from the Mighty Magoos this week. We came into the game knowing that Leeton have had a tough year in the reserves but it was a real opportunity for us to continue with our momentum and develop some really strong percentage. The game started off well. Our first quarter we finished with 6.4 against a slight breeze which was our strongest start for the year. I challenged the lads to push on in the second and really run away with the game but we let ourselves down a little bit and to Leeton's credit they didn't give us that opportunity either. At half time I challenged the guys that a minimum 100 point win was the target. To the boys credit they came out after half time and really put on a show. We had reached our 100 point lead by three quarter time and finished off the game in a strong way coming away with what was close to a 150 point win. The most pleasing thing about the game was that everyone contributed. There was not one passenger and everyone played their part, making my job to decide on award winners very difficult. A few special mentions have to go to a few blokes who fought hard all day but were just unlucky to miss the awards and that goes to Nick McAuliffe and Jordan Ambler. Both fellas are starting to really develop their games and find their feet within the side. Two other blokes, one of whom I'm sure we will miss dearly when he heads back to Melbourne this week, played absolute crackers of games and that goes to Jamo Bouffler and Riley Green. One other bloke who dominated from full forward and kicked more than a handful today and could have had close to 10 if he didn't dish off a couple (however I love that he did the team thing) goes to Wes Clark. And finally our award winners: The Mug (sponsored by Holbrook Breeders) went to Harry Dew who week after week continues to put his head over the footy and grind away. He may not have hit the score board this week but thanks to him, those that were playing in our forward line could. Our Meat Supply voucher went to Alex McCormack. I gave Amack a new role this week of playing in the ruck which he was a little tentative towards, but massive credit goes to him, he didn't complain, he played his role and worked hard for his own footy throughout the course of the game. Our Intersport Voucher went to a bloke who worked super hard throughout the forward line and managed to snag himself a handful while also dishing off a few to his team mates and that goes to Justin Dore. Moving forward, I'm really excited about what the next round of games produces. We have a bit of work to do if we want to catch the teams in front of us, but to go into the bye with a 5-3 record is a really solid start. I hope everyone enjoys the week off and is ready to rock and roll against Tigers at Possum Park. Would love nothing more than to get them twice in the one year and get our second round of games off to a bang! All the best to all football and netball teams! Up the Mighty Magoos, Nat

U17.5'S - RICK COLLINS

Our last game against Leeton seems so long ago with what is happening around Australia at present. Thankfully we are still able to come together at Possum Park to play football and netball and this is something that should not be taken for granted. Back to football, the young Goannas had one of our strongest sides so far this year with Zac and Tyson back from injury and we produced 3 outstanding quarters of football against Leeton, managing to keep them goalless until the last quarter. A few injuries to key players in the last quarter provided an opportunity for Leeton to get back into the match but we were able to steady and come away with a very good win against an opponent that was higher than us on the ladder. A highlight for me from this match was the areas we had been focusing on at training, such as having a release option at the back of packs and providing run and spread from contests were implemented in style during the course of the game. This team effort across the ground was the backbone to our 7.8.50 to 2.14.26 win. A bad player could not be found in the blue and gold with every player giving their best on the day, with some celebrating the win with considerable energy (Bayley Moller) although the club song still needs some work boys!!! Our Award winners were Lewis Pulver (Players Player) who just keeps getting better week after week providing composure and counter attack from the backline, Sam Moller (Intersport Voucher) who had his best game of the season providing a strong link on the wing and flank with his strong hands being a feature of his game and Zac Hanrahan (MCUE Socks) being strong around the ground and taking the mark of the day, although his landing still needs some work. Other strong performances on the day came from Xav McDevitt and James Godde in the middle of the ground who provided both inside and outside run over the full 4 quarters and Flynn Collins in the forward line with 5 of our 7 goals and a number of strong contested marks and great leading patterns. This week the challenge is a traditional rival in Wagga Tigers on our home ground. Our game has improved and evolved greatly since our first meeting and hopefully this will be reflected in the end with a strong victory. Let's all stay COVID safe... Up the Mighty Goannas!! Rick.

A GRADE - MARIE HOPE

A grade report A grade nabbed an impressive 50 goal win over Leeton at home before heading into our club bye. Shannan Russell was a standout in GD, making the most of multiple turnover opportunities also created by the remaining hard working defenders. Kaylah Upfield had her game of the season to date, moving dynamically and making use of her great athleticism, whilst importantly finishing off the majority of her long range goals. The whole team performed at a very high standard and it was impressive to see as they have set a new standard for themselves as individuals and as a team. We look forward to our next game VS Tigers at home and expect another tough match as always.

A RESERVE - MIKAELA COLE

Hope everyone has enjoyed their weekend off! Our last game we played against Leeton who were 3rd on the ladder. We had a few injuries with our Rep girls Caitlin, Ava and Sophie still sore from their massive wins at Rep State Titles and Zoe with Achilles problems. I decided to call up two debuts Lakin (B grade) and Ruby (U17s). Both played a quarter in C and absolutely killed it! We played a consistent 4 quarters which resulted in us doubling Leeton's score with a 52-25 goal win. Our HFT farm contracting mug went to our VC Maddie McIntyre. We have really been working on playing a clean defensive game which means using our feet to get around into the receiving space of Leeton attacking players. Maddie implemented this perfectly resulting in a numerous number of turnovers and touches from her effort. Our Intersport voucher went to Ava Moller. Every week she comes up mature players and despite her young age matches them in maturity with her game. She was very accurate and moved beautifully in the circle. Her skill has resulted in her also getting a chance to play her A grade debut against Leeton! Our Leeton home game was also our Miss Mangoplah night and what a successful night it was. Massive thankyou to everyone who made the night a hilarious success. Claudia, Nicole, Muz, Sharni, Trace and I organised outfits and created some stunning makeup. Massive thankyou to Ben Jones for creating some accessories to make our vision come to life, to the judges, to the hosts, to everyone who cleaned up the next day and of course the contestants who put on amazing performances. This weekend A reserve come up against Wagga Tigers. When we previously played them, it was our closest game of the season so far (14-point win). They also defeated us last year in the grand final so it's sure to be a competitive game. Good luck to every other Mango team, hopefully we come away with a few wins!

BATKIN & DAMME
SMASH REPAIRS

B GRADE - MADDIE MCINTYRE

This game was a clash between 1st and 2nd on the ladder, and it was a hard and challenging game. Leeton came out strong from the whistle and got a good lead on us. Our first half wasn't our best game, we just couldn't get our flow on and didn't start well. 3rd quarter we ended up coming back by 13 to get even with Leeton. We just couldn't push through and get the win, losing by 1. Our mug winner went too Sharni, her one on one in the defensive circle was great and intercepting the ball in critical moments was pivotal to our game. Our 2nd award winner went too Sarah Anderson, her movement in the circle made it very easy for our feeders to feed as well as her shooting was spot on. Sarah also played a really good defensive game, when Leeton were bringing the ball back down the court. Overall, B Grade fought really hard to come back from being 13 down and I'm really proud of their sportsmanship and encouragement towards each other! Bring on Round 10!
