

ROUND THIRTEEN

13.07.2024 · MANGO OVAL

MCUE GOANNAS VS LEETON

· FOR ALL MCUE INFO ·

CAITLIN WHEELER | 100 CLUB

Lisa Reynoldson | A Grade Coach

A big congratulations to Caitlin Wheeler, celebrating her 100th game with MCUE today!! Caitlin has been a loyal 'Mango' girl from the under 9's Eastlakes girls netball team, 11 years ago in 2013. Caitlin is from a Mangoplah family, her mother Sheryl and father Steven both playing netball and footy respectively in their days. As well as Caitlin's brothers currently playing first grade for MCUE, Tristin and Harrison. Caitlin has played a lot of netball over the years... representing Wagga Wagga Netball from 12's through to 17's, RFL representative as well as selected in the Southern Sports Academy Squad. Caitlin did unfortunately miss over 2 years where she was unable to play due to injury, she had a major knee injury, which to fix involved taking Cartlidge from her knee, growing more from it in a lab and then another major operation to put it back in. Caitlin was unable to play any sport or exercise for 2.5 years. Being the determined, focused and dedicated amazing woman she is, Caitlin continued to develop with girls from the side line. Attending training sessions and games during this time to build her mental game and learn in a theory sense the game, as to 'not be left behind'. When Caitlin came back, it was honestly like she had never left and this certainly needs to be commended for a young girl of her age! Caitlin has not only come back and been able to crack A Grade, but she is definitely shining this year! Always the quiet achiever Caitlin is a mid-court specialist who made her permanent move in A Grade during the 2023 season. Although dominating the WD position this year, with an uncanny ability to stick to zippy WA players like I've never seen, Caitlin is also a very handy Centre and Wing Attack player in her own right! Caitlin has achieved a lot of success at her time at the club. Numerous appearances in RFL Grand Finals including 2018 (17's), 2020 (A Res), 2021 (A Res), 2022 (A Res) and 2023 (A Grade). As well as a number of Runner Up Best and Fairest and Most Consistent Awards. I also have no doubt that Caitlin would have been in the running for the 2023 RFL and MCUE A Reserve Best and Fairest last year if she hadn't been elevated to A Grade during the season! I have been lucky enough to coach Caitlin on and off over her years of netball and she would without a doubt be one of the most hard working young girls I know! Also studying to be a doctor.. this girl has everything!! It has been my absolute pleasure to write this piece for 'Caito' and could not be more proud of her today and every other day!! Congratulations again on 100 games sweetheart! Enjoy your 100th game and we look forward to many more.

REPORTS

A Grade | Lisa Reynoldson

What a great day Saturday was in Narrandera... clean sweep of the footy and netball. Off the back of a couple of big weeks for our A Grade girls we were keen to hit the court a little more relaxed. To Narrandera's credit, they have been doing some rebuilding and have noticeably improved since our first game. They stayed with us till half time. Second half the girls started to kick away and find their rhythm. Ava Moller again this week probably had the hardest job, like we are finding a lot this season. The girls made personal goals before the game and Ava's was to stay composed and not get rattled by defenders 'niggling' at her that have been very evident this year. Ava is an amazing job at this on Saturday scoring her the Players Player again this week. Ava was cool, calm and collected and focused on the game. Ava as always moves strongly and shoots accurately. Well done Av. Our coaches award this week goes to our much improved player Rio. Rio's goal this week was using her voice down the defensive end. We have noticed Rio doing this more and more and with this and her increased intensity.. Rio is finding herself gaining more tips and intercepts. Keeping her eyes up and her feet moving.. Rio is coming leaps and bounds at the right end of the season. A big congratulations to Sally Hood on making her A Grade debut this week. Sally who trialled for B Grade, selected in A Res and made her A Grade debut on Saturday has been a beautiful addition around the club, easily fitting in both on and off the court! After having some time off netty for work commitments we look forward to seeing what Sally can achieve at the end of season.

\$15,000 REVERSE DRAW

DRAWN SUNDAY 28TH JULY 2024 AT

FARMERS

— H O M E —
H O T E L

All tickets include a 'Farmers 5' meal and drink vouchers.

Bar tab opens at start of the Reverse Draw.

PLEASE RETURN TICKETS TO MCUE COMMITTEE IF NOT BUYING.

**ADDITIONAL TICKETS MAY ALSO BE PURCHASED.
TICKETS \$100 EACH.**

WILDCARD TICKETS WILL BE AUCTIONED DURING THE DRAW.

REPORTS

First Grade | Nelson Foley

Round 12 saw a return to the winners list for our first-grade football side, headlined by the debuts of Charlie Doherty and Cameron Bokenham. We welcomed Cameron to the club for the first time and saw the impact that he will bring to our side as a big, mobile ruckman. Cam was solid in the ruck all day, but the highlight was his work around the ground, following up his work and laying some big hits. Charlie Doherty also made his first-grade debut, yet another junior that has graduated to the senior ranks at an early age. Charlie was absolutely exceptional on the wing, putting his speed and football ability on full display. Charlie racked up a large number of possessions and delivered the ball into our forward 50 efficiently all day. It's so exciting for the club every time we are able to debut a junior and Charlie is another testament to the incredible work Nathon Irvin, and now Harry Fitzsimmons and Lachy Kendall have done at underage level. Some other standout performances included Flynn Collins and Lachy Kendall continuing their outstanding form with 4 goals each, Lewis Pulver was incredibly dangerous up forward all day and finished with 3 goals. Tristan Wheeler intercepted well all day and used the football with precision. Connor Quade was best on ground for the day, Connor relentlessly locks down opposition forwards and rarely loses a contest. He complimented his defensive game by providing outstanding run and carry for us all day. We were pleased to tally a large score again for the third time in four weeks and now look forward to playing at home against Leeton this weekend, and continuing to stake our claim as a clear top 3 contender in 2024.

REPORTS

A Reserve | Mikaela Cole

What a successful weekend at Narrandera with a clean sweep. Such a massive achievement for every team to get a win on the board as we approach the back end of the season. A reserve had two key goals this prior weekend and that was consistency and strong start and we certainly achieved that. Despite being low on numbers the girls came out firing and maintained a lead the full game. Congratulations to Ava Spencer and Eliza who are now qualified to play A reserve and congratulations to Steph Shaw who made her debut in A res. The mug this week went to Sally hood. Sally has just returned from a work trip and we have certainly missed her presence on and off the court. Her strong holds and great rebound positioning allowed for us to get the ball into the circle and converted. The towel went to our other shooter this week, Alicia Johnson, who shot with great accuracy and also had great rebound positioning. Congratulations to both girls. Coming into the Leeton game this weekend we are yet to verse them at full strength with 2 out of our 3 shooters away in our previous game against them. We only won by a small margin last time but we hope the 2nd half of the season and with finals approaching closely we hope to have another win and increase this margin. Goodluck to all other mango teams. Let's keep pushing for wins for finals!

B Grade | Sheryl Wheeler

We played Collingullie this round and came away with the win 41-21. All of the girls played exceptionally well. The mug went to Eliza Smith with the towel going to Aaliyah Kennedy. Eliza worked hard in defence while Aaliyah was shooting with precision. Next we played Narrandera away in the indoor stadium and had a great win 62-42 with our awards going to Jenee West and Emily Johnson with the towel award. Jenee had a crack shooting in the first quarter but stabilised the mid court in centre. Em J started in WD and played the game out in GD and worked tirelessly in the goal circle and transitioning the ball into the attack. All of the girls stepped up in this game with a few having to play out of position. Well done to all the B grade girls. This week we have Leeton at home which will be another tough game.

REPORTS

C Grade | Tracy Schulz-Cole

Coming into the back half of the season and with a ladder that has the top 5 positions tightly contested, over the last couple of weeks we have been focusing on switching into "netball mode" early, so that we start strongly and are not playing a "catch up" style of game. I believe that for the last couple of games we have done this but the team line up for Narrandera was a little stronger compared to the last time we played. Therefore, the girls really had to stick to our game plan tactics and battle it out before we could start to see the rewards in the last half of the game. We were only up by 2 goals at quarter time, 6 goals at half time but ended up winning by 21 goals in the end. Which really showed how hard the girls had to work to achieve this result. In attack our shooting circle was working well and Kendall Wales was awarded the mug this week for her game. Her shooting was very accurate and her holds and rebound positioning were also great and is something we have been working on at training. Kendall has been a late inclusion into the team but has fit in to the team nicely and has been working hard on her game. Our defensive end also had to work hard against tall and some body strong shooters. Jess Ryan once again worked tirelessly getting multiple touches, intercepts and deflections and helped bring the ball down the court and was this week awarded the towel. Well done both players! I think our team has really been improving each week and I am excited to see how they can develop from here. All the best to all teams this weekend as we welcome Leeton to our home ground. Go Mango!

Under 17's | Ash Reynoldson

The 17s girls won to Narrandera 39-18 on Saturday. With 2 out of 3 of our shooters away our GK Maddie Spalding stepped up and played out of position in GS for us and held her own! The 17s had a bit of a slow start after a long travel only being up by 2 in the first quarter then started chipping away in the score difference each quarter. Best on court went to our centre Ava Spencer. Av's consistency each week sometimes goes unnoticed, her accuracy in her feeds and strong drives in attack aswell as her hard work and natural read of the play in defense allows for her to get a lot of intercepts in defense. Our second best on was our GA Liv Bryant. Liv is another one of our consistent players each week. Liv really had to step up in the shooting circle this week and she did just that. Shooting majority of our goals, working in a new combination and her sharp movement really showcased her talent. Goodluck to everyone against Leeton this weekend.

*Nothing fancy...
just pure love*

MCUE social committee invite you to the Mock Wedding of the year

SATURDAY **13** JULY 2024

Ceremony commences at seven in the evening in MCUE Clubrooms.
Reception and dancing to follow.
Dress Code: Op shop cocktail

Bucks and Hens parties commence after game day awards.

Due to the cost of living crisis, the Bride & Groom require all guests to pay for their own drinks and meals. No gifts required.
