

ROUND SEVEN | BRASHA-T DAY

MCUE GOANNAS VS GANMAIN

26.05.2024 · MANGO OVAL

BRASHA-T DAY

Ataxia-telangiectasia (ay-TACK-see-uh Tey-LAN-jick-TAY-sha) is a rare & incurable disease often described as the worst parts of cerebral palsy, muscular dystrophy & cystic fibrosis. Throw in a dose of cancer & lung disease and you have a general picture of this relentless condition.

BrAshA-T was founded in 2007 by Sean and Krissy Roebig from Brisbane after 2 of their young children, Brady and Ashleigh, then aged 3 and 2, were diagnosed with A-T.

RESEARCH - AWARENESS - SUPPORT - FUNDRAISING

Charlie and Zara Millar both have A-T and their parents Carly & Jeff have been big advocates in the fight to find a cure.

REPORTS

First Grade | Nelson Foley

After not playing a competitive game of football since April 27th due to a double bye we were raring to get out to Leeton and get our campaign back underway. This week saw the addition of Jake Whyte to both the club and our first grade side. Jake came to us via Barrellan and has a long history of quality first grade football behind him which was put on show on Saturday. We welcome Jake and his family to the club with open arms.

Just as exciting was the first grade debut of Xavier Moller. It is always special when we see a Mangoplah junior graduate to the first grade ranks and Xav showed he has a long career ahead of him. His hardness at the football and composure with ball in hand were exceptional for a first game player.

We came out hot in the first qtr kicking 6 goals to 0 and playing some of the most attractive football we have to date. Lewis Pulver looks to be a revelation up forward and Harry Fitzsimmons continued his dominance through the middle. The 3 quarters following were somewhat disappointing on the scoreboard. A howling wind made execution extremely difficult and we became wasteful with our opportunities. All in all we take plenty of positives out of the game whilst seeing some clear areas for improvement.

Riley Cole played an outstanding game on the current league leading goal kicker, and Liam Crittenden showed he is a ready made first grade footballer.

Looking forward to this week and we take on GGGM at home on junior/senior day. Our boys could not be more excited to get out in front of a big crowd at home against the ladder leaders and continue our fantastic start to the season.

REPORTS

A Grade | Lisa Reynoldson

A Grade Travelling over to Leeton, A Grade took on a much improved A Grade Leeton team. At training last week our circle defenders worked on double defending a strong shooter, picking up the GA as she came into the circle and I can say that the first quarter the Kate and Rio killed it. Confusing the circle, the feeders and obtaining many turnovers and forced errors. The girls walked away with a 10 goal lead at the first break. To Leetons credit they really lifted and gave it to us for the remaining three quarters of the game. Their shooting was exceptional and pressure through the court. Though definitely not our strongest game on the weekend, we managed to get away with the win. Caitlin Wheeler really stepped up and was strong in centre, feeding the circle well and being solid coming down the court. Kate Wallace was our Players Player, using excellent footwork to get around a very strong GS. Though not our best game, we reflect on these and what we need to do going forward, starting so strongly but then letting ourselves down by unusual errors all over the court. We pick ourselves up, dust ourselves off and we go harder!! Let's go girls.

A Reserve | Mikaela Cole

After 2 weeks off, A res were a little rusty for our first game back and low on numbers. We had Georgia, Alicia and Sally away, leaving us with just Eloise in the shooting circle. Eliza Parker and myself strapped up to play a bit of A res to ensure we had numbers. There was some patches of great netball as we found our feet again after the long break. Trying to cement our new combinations in the shooting circle proved a bit of a challenge too. We still came away with a 7 goal win, but the win certainly didn't come easy with there only being a few goals in it throughout the whole game. We have a few things to work on, like our timing and transitioning down the court. Once we have a full side back I think it will all start to click again. We come up against ganmain on Sunday, who are sitting 5th. Although with a few girls out again this will prove a challenge again, especially with the centre court girls having to run out a full game with no sub relief. Abbey was our mug winner with some beautiful drives, feeds and strength down the court. Our towel went to Molly, she was thrown into circle defence and was a stand out with touches and turnovers and even a lift move thrown in there! We hope to continue our unbeaten strong start to the season and look forward to a combined junior and senior day. Goodluck to all junior and senior sides, let's hope for another clean sweep.

REPORTS

B Grade | Sheryl Wheeler

Round 3 we played Narrandera at Mango. We celebrated Molly Mathew's with her 100th game for the club. We also celebrated the win. Mug - Daisi Towel - Aaliyah Kennedy After 2 byes we headed out to the windy and freezing conditions at Leeton. The girls had a rusty first quarter with Leeton proving to be a tough team but the girls worked hard and came away with the win. Mug went to Jess Plater who was outstanding in defence. Towel went to Aaliyah Kennedy, who after starting in WD, moved to the shooting ring and played beautifully. This week we take on Ganmain at Mango and we are celebrating Em J (Emily Johnson's) 100th game!!

C Grade | Tracy Schulz-Cole

Last weekend seen us travel to Leeton after observing two byes in a row.

Unfortunately, I think these consecutive byes may have been reflected in our game, as we did not play to our full potential. However, there were still a lot of positive things that the girls were doing on the court. The girls even managed to execute some new set plays that we have been practicing in training over the past couple of weeks, that we have not yet had the chance to practice in a game scenario. So well done on that team effort. The scoreline did become close throughout the game, but the girls were eventually able to pull away and win by 20 goals.

The mug this week was awarded to Tina Liersch. In her defensive position she had a lot of touches and deflections and put into play a lot of what we have been practising at training and adjusted her game accordingly when requested. The towel was awarded to Millie Powell. Mil played a very smart game and shot very accurately during the game and brought the ball down the court very well. We look forward to getting back into regular game time and improving every week. All the best to all teams this weekend. Go Mango!

Under 17's | Ash Reynoldson

The 17s girls beat Leeton 52-20 on Saturday. The girls knew that they had to fight for the win as leeton were just under them on the ladder. Every player in the 17s were on fire. Their drives, defensive pressure, shooting accuracy, strong passes etc led them to such a great score margin. Our best on court this week again went to our GD Steph Shaw. Steph played on a very talented shooter from Leetons side. Her determination to beat her players is a real asset to what she puts on court and she did just that. Our second best on court went to our GK Maddie Spalding. I have coached Mads for the last few years and she gets better every game. The pressure she put on her GS on Saturday caused her to barely touch the ball and shoot a goal which doesn't go unnoticed. I have loved watching the girls develop as a team each week. Goodluck to everyone against Ganmain this weekend.

100 GAMES - EMILY JOHNSON

Emily Johnson | 100 Games | Written by Tracy Schulz-Cole

Congratulations Emily (Em J) on playing your 100th game today!

Em J is another one of our loyal players who started playing juniors with Eastlakes in 2016, joining the senior club in 2018 with the U17s playing group.

She is a part of the Johnson connection being one of the four Johnsons who currently play at the senior club and is also one of the many families with multiple siblings and cousins playing. Em J is also another player who was a part of the winning U17s Grand Final team in 2019. She transitioned into C grade in 2020 and then to B Grade in 2024, playing in multiple finals games over the years. Being a versatile player she has played multiple positions during her playing career, spending time at either end of the court in GK, GD, WD & WA. As another player that I have co-coached for a season, her laid back personality off the court might be deceptive as she is a very determined and competitive player on the court and is always willing to learn. She is another valuable member of our Mango community and is always a regular at our social events.

MCUE look forward to celebrating this important milestone with you this weekend. Congratulations again Em J and welcome to the 100 Club!
