FIRST GRADE - JEREMY ROWE

To The MCUE Faithful,

Well, what a month it's been!

We saw some really positive behaviours in the Griffith game. We mount huge come backs against Tigers and GGGM to build belief in the group. We travel to Coolamon, lead from start to finish and knock off a top 3 side on their own dunghill. Momentum built; corner turned.

Back tracking a week, we welcomed GGGM to Mangoplah. We were riding a high from our 7 goal last quarter come back against the Tigers and we hoped we would see that momentum flow into what was always going to be a difficult test against the top of the table Lions.

In a game where we felt we dominated possession and territory, we still laboured when bringing the ball inside 50 and wasted opportunities in front of goal. Perceived pressure and turn overs held us back in the early stages of the game but with increased work off the footy, a willingness to back ourselves to pull the trigger, honour the separation and get the ball into the corridor, we continued to create opportunities. At 3 quarter time, the score board was ugly (MCUE 2.11 to GGGM 5.7) BUT, we had been here before and we knew what was achievable.

In a spectacular last quarter, our 4th quarter specialist Max Hanrahan stood up and again and kicked 3 goals and along with many other high quality and desperate efforts from all our lads, we had pulled off another stunning victory - this time by 6 points.

James Scott jumped hard & competed harder to draw even in a critical contest against the best ruckman in the Riverina whilst our quiet achiever, Chuck Chambers went about his business in high quality fashion with 23 possession at a high efficiency rate. Nelson Foley was a clearance beast, hit the scoreboard and gave us a hard edge with 24 possessions and Nick Collins operated at the high standards we've become accustomed to with 27 possessions and a number of telling contests, particularly in the air. This left our BOG to Ethan Schiller who was by far the best player on the ground. Ethan amassed 37 possessions in an incredible display of work rate, clean first touch and line breaking football.

With some stability and continuity within our list and the belief that has come with 4 victories in a row, we now move into a stage of our season that we have desperately fought to get to.

With two special wins in the rear-view mirror, it was now time to see how far the group had actually come. We knew things were going in the right direction, but had we come far enough to stand up for 4 quarters and defeat a high quality team on their home deck? We were about to find out.

In the first quarter, we turned the ball over at an alarming rate and were guilty of allowing our opposition too much free footy. This being said, in what was a theme of the day, we just kept fronting up and finding a way and we came in to the first break a goal up. Going against the breeze, the second term was always going to be match defining and whilst we still had our issues with ball in hand, we competed in an admirable manner and it was the Goannas up 4 points at the main break. Going to the scoring end in the 3rd, we primed ourselves for a big 3rd quarter and our Mangoplah Men responded in terrific fashion. We ran hard, stood up in big moments, won important contests and had 18 players all contributing when the game called upon them and we cashed in on the scoreboard with a term that reflected 22 – 1.

Despite being confident going in to the last, we knew from our own experiences the game wasn't done and we knew that Coolamon would come at us. With toughness, determination and an unwillingness to be beat, we knuckled down and managed a 19-point victory. In the rooms after the game, there was a notable calm amongst our group. We were excited but put simply, we had performed to a level that we expect. This wasn't one out of the box, this was business as usual and whilst we celebrate this victory, we expect improvement, and we expect many more wins similar to this.

Report continues on next page

Harry Collins started back and then went into the middle and did what he's done all year – intercepted, rebounded and won big contests. The cherry on top of his game was 2 goals which contributed to a terrific contribution. Brayden Ambler returned to footy, hit up at the ball carrier, showed strong & clean hands and was deadly going inside 50 in a positive return. 3rd and 4th best went to our key backs, Matt Collins & Tim Smith. We are lucky to have such pillars in our key defensive posts and to see them proactively & at times desperately defend Joe Redfern & the in form Will Graetz was a pleasure to watch. 2nd best was our new man on the block, Nelson Foley. In 3 games, it's now hard to imagine an MCUE side without him. Nelson is composed under pressure, provides grunt at the stoppage and hits the scoreboard and it's a privilege to see him do his thing in the Blue & Gold. For the second week in a row, Ethan Schiller was brilliant. Ethan is working harder than anyone else on the field and his ability to take the game on whilst remaining calm and composed was a special part of our performance for the second week in a row. Oh yeah, Eth kicked 2 goals as well!

With some stability and continuity within our list and the belief that has come with 4 victories in a row, we now move into a stage of our season that we have desperately fought to get to. We know full well that even bigger challenges await us. We know that the hard stuff hasn't even started yet. We know, obstacles will pop up and we know that improvement is required. Now, we also know, that we are a very capable football side and with hard work, engagement, and a little bit of luck on the injury front, we are now back on track in our quest for higher honours in September.

It's been a wild ride already in 2022. We've all shared the ups and downs thus far. Why not all buckle up and stay on this journey together as we enter the most exciting time of the season in the coming weeks.

See you at Mangoplah,
Regards
Jeremy

ABOUT THE DAY

We are holding our Annual Mental Health Round this weekend, raising funds for a local non for profit GOOD TALK. The Walgers/Reid family started this charity after Graeme Reid (ex mango player) lost his life to suicide after years of struggling with Bi-Polar Disorder.

The day is not only to raise funds for critical research but to raise awareness surrounding mental health, breaking down the stigma, education and opening up to one another to prevent suicide.

We have a 3 person relay happening at half time of 1st grade with all teams open for sponsorship! This is a special round for our club and we thank you all for your support, getting involved, and raising funds + much needed awareness.

IN MEMORY OF 'REIDY'

MCUE
MENTAL HEALTH ROUND

RESERVES - MITCH SYKES

On Sunday our 2nds boys came up against 3rd placed coolamon. We started slowly conceding the first 2 goals before fighting back and finishing the 1st only one goal down. In the 2nd qtr we were kicking with a solid wind and in a tight half of footy we kick 2 goals to zero heading into the half time break with a 5 point lead. The 3rd qtr into the wind was even with both side kicking 2 goals each. Heading to the last qtr we had a 4 point lead and also the momentum but unfortunately we just ran out of legs and went down by 5 points. For the awards the mug went to our captain Harry Dew. The intersport went to Alex McCormack. The meat supply went to Charlie spackman and the towel went to Riley Cole. Overall a disappointing loss but knowing the boys they will bounce back this week and will keep working towards finals.

U17.5'S - RICK COLLINS

Last week's game was against Coolamon on their home deck. We were prepared for a hard, physical game that would provide a good test for us and this is exactly what we got!!

The game was played with a strong breeze favouring the Golf Club end of the ground which we started with and were able to finish the first quarter with a 3.2.20 to 0.1.1 lead which we managed to maintain for the remainder of the game, running out 7.7.49 to 4.8.32 victors.

After the last couple of matches where we played 2 quarters of football, this week's game was built on the back of a solid 4 quarter effort from all the boys. Every player gave 100% and we had no bad players. It was good to see that when a contest had to be won or a Mango player had to put their body into the contest, it was done. It is this type of team focused effort that will take us deep into the finals.

Our Award winners this week were Xav McDevitt (Players Player) who had a superb game in the midfield, constantly winning the ball from contested situations and feeding it out to the running players. He also pushed forward kicking 2 big goals. Flynn Collins (MCUE Towel) who played an unfamiliar role in the midfield but provided strong outside running providing a strong link between the midfield and forward line. His aggressive tackling was also noticed. Isaak Jones (Intersport Voucher) had a whale of game at fullback, totalling dominating his opponents, who did not kick a goal. This was a massive effort as Coolamon's two key forwards are in the top 5 goalkickers for the Under 17.5 competition this year. Cody Reynoldson (Wagga Meat Supply) took out the final award for a strong game around the ground in both offense and defence.

It was actually a difficult week to give out awards as we had 21 players that were all deserving due to their efforts. Players who could consider themselves unlucky not to be amongst the awards were Isaac Molloy, Beau Edmunds, Sam Moller, Xav Moller and Tom Smith (who was pretty happy with the goal he kicked to break the duck egg!!)

Another challenging game for us this week against Leeton-Whitton who have found some form of late, defeating Turvey Park last start, and seeking to secure a place in the top 5. I am sure that another team effort over the full 4 quarters will provide us with another victory, further securing our grip on 3rd spot.

Whilst our focus each week is on the football and netball, this week is our Mental Health Round. It is a great reminder to check that our friends, family and ourselves are coping. In an ever-changing world where we are all busy, lets take the time out on Saturday to focus on our Mental Health and whilst doing this support 'GOOD TALK', a charity started to raise funds for critical research but to also honour a young man who played football with Mango and Marrar but lost his life to suicide after years of struggling with bipolar disorder. Reidy was a very talented footballer who entertained all those around him with his on and off field exploits and is missed by all who knew him.

Good luck to all the football and netball sides this week!!

Up the Mighty Goannas!! Rick

C GRADE - SARAH MEYERS

What great results we had this week from all grades 5/5 games for the netball was an absolute awesome effort. C grade had a cracker of a game winning 41-8 the girls brought the ball down the court beautifully driving out to revive the ball and working collaboratively together. Samara did a great job playing a full game in Centre where she did not stop and chased down every ball. While Katie has grown great confidence out on the court and showed great movement and great spacial awareness of her team mates. This week mango will hold a mental health week to help make people more aware about the critical surrounding of mental health, and educate those about the importance of opening up to one another to prevent suicide as well as create some funds for much needed research. So this weekend make sure you check in on your mates to see how they are going. With not to many games left C grade is pushing each week to help push there percentage up, C grade is sitting 3rd and are hoping to make finals. This week C grade will play Letton witch will be a tough game both physically and mentally, last time we played letton the girls came away with a loss, but have been working hard with the hopes to this week come away with the win. Good luck to all teams and make sure you check in on your friends!

Awards: Ambler construction Mug: Samara Davis Intersport voucher: Katie Galvin

Players: Jemma, Sara, Samara, Georgie.P, Hannah, Emily, Ella, Ivy, Georgie.Y, Katie, Christina Managers: Tahliah and Belinda

UNDER 17'S - LEANNE FROW

Our 17s travelled to Coolamon and put in another solid effort to come away with a win. It was good to welcome back all our regular players, apart from Ellie who will be out for a few more weeks. Get well soon!

We got off to a bit of a slow start again, something we will need to work on. Ruby and Amber were strong through the centre court, and our defence was once again strong all over the court. Second quarter saw us pick up the pace a little, and we continued to put the pressure on.

Our last half was really strong with Amity and Bree working overtime and Evie only missing one shot in the last quarter. Amity and Evie were the award winners.

We are a talented team, with great potential. I want the girls to believe in themselves like I believe in them and go hard and strong for four quarters this week. Let's go Plah!

B GRADE - TRACY SCHULZ-COLE

Last weekend seen us travel to Coolamon for a Sunday game. It was a very successful day for all of our netball teams winning 5 out of 5 games! The players and supporters were so relieved that the prediction for possible thunderstorms held off and we were able to play without those added elements.

For our match against Coolamon, we set ourselves a very high standard goal of beating our first round margin score. This first round winning margin was 50 goals, so such a high target was always going to be a challenge. So as usual though our B Grade girls were very excited, chatty and ready to play and were very enthusiastic in the warm up. The girls started the game well with many good quality passages of play and good defensive pressure. We have been working on a set play at training to bring about a possible defensive intercept for most of the season, but have not always set this up in time in a game to make this work effectively. However, on the weekend we were able to set this up twice and both times come away with the intercept. The girls were very proud of themselves!! Any intercept in the game is always great and is such a morale booster, but to plan them and for it to work effectively is always an added bonus.

The girls won the game quite convincingly 51-13, but unfortunately probably didn't finish quite as strongly in the last quarter as we would have liked and just fell short of the winning target amount we had set for ourselves before the game. However, a win is a win!!

Our Fitzpatrick's Real Estate Mug was awarded to Sarah Meyers who played a fantastic defensive game in WD. She was able to shut down her WA on multiple occasions, took several intercepts and was also great with bringing the ball back down the court. This is not Sarah's usual position on the court, but she plays this position beautifully. The Intersport Voucher went to Hannah Keely, who once again had a brilliant game in GD. You can always count on Hannah to take multiple intercepts and get many touches and deflections every week and this game was no exception.

Our home game this weekend will see a top of the table clash in B grade with 1 v 2 on the ladder. Our last encounter with Leeton seen us lose our only game so far this season, with a losing margin of 1, however coming into the second half of the season we have seen a lot of improvement in the team and with a few players missing from the first game, we are very excited to see how the girls will handle this challenge.

This weekend we will hold our annual Mental Health Round at Mango, where we hope to not only raise funds but also awareness surrounding mental health. I also look forward to our 3 person relay race at half time and look forward to the netball relay team smashing the opposition teams!
