M C U E CLUB GAMES

FIRST GRADE - JEREMY ROWE

To The MCUE Faithful, After a rough couple of weeks, we travelled to Leeton with a strong desire to show ourselves and our supporters what we are capable of. We were also keen to play with the energy and enthusiasm that is a true reflection of the enjoyment we have for representing the MCUE FC in the top grade. This task was easily achieved with the celebration of Pat Killalea's 150th game and the debuting of locals Riley Cole and Harrison Whitley.

We bounced out of the gates, and it was clear early on that we had turned up to play. We were first to the footy, won the contested ball, organised ourselves well off the footy and showed composure with ball in hand. Immediately we had team members contributing from all over the park and importantly we were back playing to our system. The game was certainly competitive, and Leeton had their moments but we were steadily pulling away, being up by 19 points at quarter time and 41 points at half time.

We were determined to finish the job that we started, and this was reflected with us playing the best quarter of our season in the 3rd and then icing the game in the 4th to win by 89 points. Whilst Leeton are in a development phase, this result represented a terrific effort from our Mango men as we are still dealing with significant unavailability's that topped out at 22 this weekend.

Pat Killalea was passion personified in his 150th while Ryan Price gave us a forward target and converted accordingly for 4 goals. Harry Collins continues his huge start to the season with another big game that was topped off with 2 goals. Tom Keogh was back in form with a terrific defensive effort at CHB that also included some impressive rebound. 3rd best was Ryan Turnbull who complimented his standard workaholic type performance with some real toughness on the inside. 2nd best was Nick Collins who played a tremendous captain's game that included composure, leadership, execution and toughness. This left Jono Male who played one of the better games we have witnessed from a wingman. Not only did Jono kick an amazing 6 goals but worked tirelessly defensively and gave us pressure at the source for the full 4 quarters.

This game represented a very refreshing and positive change for us. We executed basic footy fundamentals, played to our system, and backed it up with energy and effort. We showed how good we can be when we comply with these key components of the game. This week we welcome Narrandera to The Plah and I can't wait to see us build on the solid platform we have just laid to launch our season from.

See you at Mango, Regards, Jeremy

RESERVES - MITCH SYKES

This week in the 2nds we had another great win this time against leeton. As most people are well aware we were extremely short this week due to injuries and sickness in both 1st and 2nds. In saying that I would like to thank everyone who help organise players and thank you to all those players that filled in. In terms of the game the 1st half was really tight going into half time. We came out in the 3rd quarter and kicked the first couple of goals to give ourselves some breathing space. In the 4th quarter we put the foot down and ran away with a 40 point win. The mug this week went to Wes Clark who had his best game for the season and getting better with every game. The Intersport award went to our stand in skipper for the week in Charlie Spackman who is playing some really good football in the ruck. The meat supply went to Lewis Pulver who came up from the 17s to help out and kicked 5 goals. Overall another great win and look forward to playing Narrandera at home this week.

U17.5'S - RICK COLLINS

Our game last week saw us venture to Leeton Showground to take on the Crows. This was the first time that all the players had actually been to Leeton and they were treated to typical Leeton weather for the contest. What looked like being a struggle to field a team early in the week, ended up with 18 players taking the field. Leeton who were missing 6 players in their first grade team still had 25 players for their team.

Our boys started the match with a similar attitude and work rate as their last match against Coolamon kicking 4.5 for the quarter to Leeton's solitary point. Our midfield was getting first use of the football and providing a strong supply to our forwards where Flynn Collins was finishing off the effort.

The second quarter was a complete contrast to the first with our running game going missing and we became engaged in the physical, scrubby contest the Leeton side, with their bigger bodies craved. Even though Leeton had the better of territory for the quarter we were able to outscore them 1.1 to 3 behinds.

The third quarter started the same as the second with the Leeton boys being physical with a number of high shots and body contact off the ball. Our boys absorbed the contact for the initial part of the quarter before finding their mojo and getting their running game back. This led to Mango kicking 4 goals straight for the quarter to Leeton's 1.2.

The final quarter saw our boys continue their ball movement and running game leading to another 4 goals straight for the quarter, three of which Lewis Pulver nailed including a couple of booming efforts from around 50 out. Our total dominance of the game led to a 13.6.84 to 3.2.20 victory.

Award winners were Lewis Pulver (Players Player) with his 5 goals haul. Lewis is having a terrific, consistent season so far, as is our second award winner Isaac Molloy (Towel) who was in everything in the middle of the field, Harrison Wheeler (Intersport Voucher) who had his best game for the season constantly providing a target and run on the wing and Cody Reynoldson (Wagga Meat Supply) who rucked all day and provide first use of the football to the midfield.

Other strong performers on the day who were unlucky to miss out on Awards were the two Xavs, Moller and McDevitt, through the midfield, Flynn Collins up forward with 3 goals, Harvey Brown with 2 goals and Isaak Jones at Fullback who totally blanketed his opposition forwards.

This week it is back to Mangoplah to face Narrandera. As we start to have players return to our side in the coming weeks we will only get stronger as we move further into the season. Let's give it our all this week and celebrate victory while cheering our Ressie's and First's on to victory as well.

Good luck to all the football and netball sides this week. Up the Mighty Goannas!!

A GRADE - MIKAELA COLE

Against leeton mango secured 5/8 wins, with the girls not quite being as successful as we have previous weeks. Congratulations to the boys who had an impressive clean sweep.

For A grade this was a top of the table clash. With leeton defeating other flag contenders already this season we knew coming into the game they would be a tough team. They got a jump on us early and managed to sneak in 3 consecutive goals before we scored our first. After this we regathered ourselves and began to hustle defensively across the whole court to create turnovers to catch up. This week defensively we mixed it up and decided to double team their GS as she is very dominant in the circle. This meant the C and WD had a big role of picking up 3 players between the 2 of them. This tactic resulting in numerous turnovers, held balls and touches. This resulted in a 64-40 goal win.

The Jesse Cunningham Tiling mug this week went to Rachel Mullane. Rach is an impressive recruit we picked up from Queensland, who plays an impressive different style of netball. We have been trying to learn from her style and also transition her into how we play and this week it really clicked. Defensively Rach gained a lot of ball back for us with her hustling around the circle and feeding wise made a lot of good decisions. Our new player's player initiative was not quite as successful as we hoped but this was due to our teamwork and everyone doing their job, resulting in a four-way tie in the votes. However, the player's player MCUE towel was given to Phoebe. She played a massive role in our double teaming defensive tactic, covering multiple players successfully. Feeding into the circle she had composure and used her fakes to draw defenders. These awards were tricky to pick as everyone played a consistent game, giving it 100%.

This week we all come up against Narrandera. We are uncertain what they will be like in A grade but from the score lines I have seen against other teams it certainly looks like they have improved a lot compared to previous years. Let's hope for another successful home round! Goodluck to all other teams, let's continue on with our success we have had the last few rounds.

Mikaela

A RESERVE - TAMARA EDMUNDS

Another amazing win from our A reserve girls. Going into the game, we were prepared to play without our key players being Maddie and Eliza. The rest of the team knew they had to step up and play their role against a strong and youthful Leeton side. Alicia combined well with Ava and Georgia in the shooting circle. In the first quarter, Alicia and Ava got us off to a strong start with an amazing 15 goal head start. That enabled 'team Johnson', Alicia and Georgia to maintain the lead throughout the game. The girls shot so consistently throughout the game and we finished at our 60 goal target! Again, our strong and consistent centre court players make it too hard for their opposition to keep up. Ruby, Caitlin and Sophie dominated the circle court with their attacking and defensive skills. With second to none timing and strong drives, these girls clearly out-classed their Leeton opponents. Tracy and Kate maintained their strong circle defence with relentless pressure and turnovers. Throughout the game, our defenders gave them limited opportunities to shoot. Nearly all rebounds were collected by Tracy and Kate and the girls kept them to a tidy 22 goals for the game. Our A reserve team have found their netball mojo and have come together as a terrific team. Good luck today to all Mango teams as we host the might Narrandera Eagles!

B GRADE - LISA REYNOLDSON

Saturday's away game in Leeton was a top of the table clash for our B Grade girls and the game did not disappoint! We went into the game 2 players down with another, Georgia Johnson, making her A Reserve debut that day. The girls went out hard and gave everything in the first three quarter. With Sarah Anderson switching to WA and Issy Edmunds moving to GA in the second and third quarters allowed the court in our attack end to really open up, especially with really strong drives by Sarah Anderson in our shooting third. With both Mango's and Leetons shooters sinking their shots, lead to a really exciting game. We went into the final quarter with a small lead. Unfortunately with a louder Leeton crowd, some unforced errors and a bit of fatigue we allowed Leeton to fight back and get up by one single goal at the final whistle. A disappointing end for our girls but one that we simply now have to learn from. Hannah Keely was again a stand out this week. She worked tirelessly all 4 quarters and made many intercepts and rebounds. Hannah reads the play very well and uses this judgment to time her defence. Steph Dew received the Mango towel award this week. Steph provide a responsive speed in attack and is relentless in defence. She never gives up and has really taken on feedback from us coaches exceptionally well, reacting positively and putting into play. Which is showing in her game. We would like to say.. that the B Grade game against Leeton on Saturday was overall the best game we had seen the girls play.. Leeton were a great team and we had our chance. It was a great quality game and the girls should be proud of this and how far they have come.

C GRADE - SARAH MEYERS

Last Saturday C grade had the privileged of having some 17yrs girls come and play up once again due to low numbers on Saturday, thank you to Ella, Ruby and Aaliyah. They played so well and fitting and picked up plays very easily. Thank you to C grade girls for also making the girls feel so welcomed and a part of the team. Although the end result did not show the efforts the girls put in our on the court.

C grade as taken some time to reflect on there game day performance and how they have been going over all as a team. Our girls have had a big talk and communicated with each other to help bring out the best for this weeks game against Narrandera.

Last weeks award winners were our defenders Ella (voucher winner) and Georgie.Y (mug winner) these girls worked hard to keep the game alive by talking to the team as well as completing tight defence, well done girls!

U17'S - LEANNE FROW

17's travelled to Leeton last week and came up against a strong, well drilled team. Our girls put up a great challenge, and kept in touch for the first half, but with a few of our players recovering from illness, it started to tell in the third quarter, and the game got away from us.

Once again our defenders worked extremely hard, and put a lot of pressure on the Leeton attackers, and created plenty of turnover ball for us. Olivia, Amity and Ella tried every trick in the book, but the Leeton shooters were putting shots up from just about anywhere and not missing too many.

Our centre court worked tirelessly, but there were a few costly turnovers, and some wayward passing again, so that's an area we will need to tighten up. Bree had a great game in wing defence and is willing to put some training drills into action during the game, so that is promising. Ruby, Amber and Ellie provided strong drives and defended well.

Our shooters were quite accurate, just had limited opportunity due to the pressure from Leeton. Evie was good until she ran out of puff from being out with illness, and Aaliyah and Mia both provided good drive, positioning and accuracy. Bree got the MCUE towel, and Olivia the Intersport voucher.

The score didn't go our way, but the team are showing plenty of promise and are keen and positive, so looking forward to our next challenge against Narrandera!
