# ROUND 1 REPORTS

## A Reserve - Lisa Reynoldson

Saturday saw all our Mango football and netball teams make their longest trip of the season to Griffith. Being the first 'Official' round game it was also Griffith's first game of the season too. A Reserve were down a few players this week with Alicia getting her wisdom teeth removed and Ruby away for the school holidays. So the decision was made to run the game with A Reserves bare 7 and give the girls as much court time as possible, especially the new girls to the team this year Amity, Issy and Georgia. The girls worked hard from the beginning and although close the entire game the girls are credited for coming away with a 4 goal win. Tracey Cole showing her experience and leadership on the court and was a standout, earning her the Irvin Day Best On Court voucher. Using her voice and vision of the game to lead a very new defensive end, at the same time as playing a strong, tight and effective game herself. Caitlin Wheeler also had an outstanding game. Caitlin drives through the court and to the edge of the circle, as well as her precise feeding to space, away from the defenders and into space was exceptional. Caitlin was our InterSport voucher winner on Saturday. Sophie Edmunds was another player to be commended. Sophie had to work very hard for the entire game against a strong opponent. Sophie was persistent with her reofferings and needed a special mention for her grit Saturday. Overall, Griffith A Reserve were a strong team and one to watch for 2023, we were very proud of the girls to come away with the win on Saturday.

---

## A Grade - Marie Hope

We came up against a super charged, focused and fit side in Griffith at Exies Oval on Saturday. They played with great intensity as well as intent in taking on what has been an extremely successful side of recent years. Credit to them, they've showed us nice and early in the season that if we want to continue to be a dominant force, that we need to lift the bar. I don't think it's a lesson that will go wasted on our girls as they felt the pinch of an unexpected loss and disappointment as we know our team can perform better. For most of the game the score was fairly besides a late run where we capitalised on turnovers and got several goals up. We couldn't hold onto this lead however, as their tenacity pegged it back to even and then they got the one that won. Credit where credit is due, Ashley Reynoldson (GK, mug & cash winner), had another standout performance in GK where her specialist skills in reading the play and plucking intercepts from the sky shone through. Shannan Cohalan (GD) hustled hard in what was a very physical game and Kate Wallace (WD), had a blitzing start by matching a very tough and seasoned opponent in Georgia Fuller (WA). Rachael King (WA, C, Ella Bache voucher winner), was strong in her drives and attack on the ball, connecting well to our shooters. We hope this is a line in the sand moment for our team who is yet to reach their peak as a collective - an exciting thought. I look forward to how they respond to the challenge.

# ROUND 1 REPORTS

## C Grade - Cass Kennedy

C grade started stronger this week, with a really great training session throughout the week focusing on cutting in front of your players and not letting your player have too much space, it was great to see the ladies put this into practice in the game. We had a stand out performance from Isabella Hounsell in mid court who intercepted, defended and feed the circle well. Our defensive team worked hard in the circle with some very strong shooting from Griffith. Another great effort from Emily Johnson in defence taking opportunities to intercept and reading the play. The ladies are developing well as a team and look forward to seeing what they can bring next game.

---

## Under 17.5 Football - Doug Arthur

The 17's have made a solid start to the year, demonstrating great ball use, setting them apart from their competitors thus far. Despite having a undermanned side and going up against a traditionally strong Griffith side, the boys put together another great 4 quarter performance. Building on a gritty win against Wagga tigers. Our defensive efforts in particular was a highlight, limiting the Swans to just one goal. Overall, it was an impressive win that showcased the team's potential. In terms of individual performances, we have had a number of outstanding young players show early that they will be pushing for one's selection. Names like Pulver, Wheeler, Warden, Edmonds.
