

ROUND TEN

22.06.2024 · MANGO OVAL

MCUE GOANNAS VS GRIFFITH SWANS

· FOR ALL MCUE INFO ·

REPORTS

President | Rick Collins

Welcome to Possum Park this week Mango faithful!!!

It feels like some time since we had a home game and today's match against Griffith marks the first game of the second round. As we move into the second round our club is well positioned in the top 3 of every grade of football and netball, with A Grade and A Res currently undefeated. This is a massive achievement for the entire club and one to be exceptionally proud of!

The leadership shown by Nelson and Harry with the footballers and Lisa and Sheryl with the netballers has been outstanding and a key factor in the strong 'one club' culture within our club this season.

Not are we only having success on the field but the level of interaction amongst the playing group and supporters off the ground is the best it has been for some time, which was evident in the number of people at our ball last Saturday night. A great time was had by all those in attendance.

Having said all that, the challenge before us is to maintain this level of effort on and off the field, to ensure that all teams are playing finals this year. I am sure it is a challenge that we will achieve.

We have seen many highlights from our sides over the first 9 rounds of the season, but a club highlight was undoubtedly our Junior / Senior day against Ganmain. It was a massive day for the club, and I would like to thank everyone who helped out in any way on the day. I know those who worked in the canteen during the day were certainly exhausted at the end of the day.

Today we take on Griffith who will provide a strong challenge to us across all grades, but particularly in A Grade netball and football where we are taking on last year's Grand Finalists. So far this season our senior footballers and netballers have shown that they are up to the challenge, particularly the last 2 games against Coolamon and Turvey Park for the footballers.

A fun fact to leave you all with, of the 21 players who took the field last week in First Grade against Turvey Park, 16 have been with Mango since juniors at Eastlakes, with 2 others playing 17's for us!!

Let's ensure we all have our seats on the Mango Bus and continue our ride toward finals.

\$15,000 REVERSE DRAW

DRAWN SUNDAY 28TH JULY 2024 AT

All tickets include a 'Farmers 5' meal and drink vouchers.

Bar tab opens at start of the Reverse Draw.

Reverse Draw commences at 12:00pm.

PLEASE RETURN TICKETS TO MCUE COMMITTEE IF NOT BUYING.

ADDITIONAL TICKETS MAY ALSO BE PURCHASED.
TICKETS \$100 EACH.

WILDCARD TICKETS WILL BE AUCTIONED DURING THE DRAW.

REPORTS

A Grade | Lisa Reynoldson

Mango had a successful day on Saturday at Turvey Park. 2 from 3 wins in the footy and 4 from 5 wins in the netball. Congratulations everyone and topped off with a great night at the Annual Mango Ball. This week also marked the end of the first round. Congratulations to our A Grade girls on firstly the win Saturday and secondly on top of the ladder by 4 points. But this does only mark the middle mark and we are back to business this weekend to kick off second round and our move into 2 hard games coming up Griffith and Gullie. The girls had another physical game on Saturday. The girls adjusted and by final quarter managed to kick the game out to goals. Well done to Ava Moller for her exceptional shooting in the last quarter. Caitlin Wheeler was our deserving Players Player. Caitlin is really hitting her strides this year with her netty in both attack and especially with her defence through the midcourt. Her calm head, hard work and determination have been playing dividends. Caitlin drove the ball through the court beautifully, fed the sometimes difficult circle with patience and managed to pick off a few intercepts too. Mikaela Cole was our coaches award. Every week 'Siddy' is our on court cheerleader, her positive voice can never be underestimated and her hard, edgy drives lead by example. Siddy is always a team player and shows true leadership. Good luck for the next 2 weekends girls. It will be exciting to watch. I'm predicting close games again, but as we have done in the past, dig deep and grit those games out. Let's do the basics well, put lots of pressure all through the court in defence and work hard for each other!

A Reserve | Mikaela Cole

What a successful weekend with 6/8 wins and the ball. Massive thank you to everyone involved in the organisation of the ball, it's a massive task. Big mention to the social committee and the committee and all those involved in the clean up the next day. These events wouldn't be possible without all of these wonderful people behind the scenes! A reserve had a massive task this past weekend with it being 1 vs 2. Turvey park have been massive contenders against us for the past couple of years and always bring a challenge. A reserve certainly rose to the challenge against this team, we practiced multiple strategic things at training this week in anticipation for our opponents and the girls implemented this from the first whistle. We lead most of the game and continued to chip away, resulting in a 45 to 30 win. The mug this week went to our captain Tracy Schulz-Cole. She lead from our defensive end, pumping up the team. She got multiple tips and turnovers and was very strong at rebounding. The towel went to Eloise quintal. This was the best game I have seen from El this season, and at the young age of 14 this speaks volumes as she is doing so well to hold her own in A reserve. El held her own against a very physical defensive circle. Our game against Griffith this week will be another tough one for our team as this has been our closest game of the season so far, only coming away with a 6 goal lead last time. Good luck to all other teams

REPORTS

B Grade | Sheryl Wheeler

The week before the bye we played Hoppers away and went down by 7. This round the girls played equal 2nd on the ladder, and was a tough game. The mug award went to Claudia Lawrence and the towel went to Jess McMeekin. Claude played in WA position and was strong with her feeds into the shooting circle and grabbing the centre passes against a physical opponent. The towel went to Jess McMeekin who started off in WD and then moved into the shooting circle. Jess has made the transition to senior netball beautifully. Last week we played Turvey, in 1st place and went down by a narrow margin of 3 goals. The girls all played extremely well under wet slippery conditions. The mug this week went to Eliza Smith who had amazing game in GK. Eliza pulled in some great rebounds. The coaches award went to Jorja Small who played in the centre court and worked hard feeding into the circle. We have two new additions into our B grade team. Welcome Jenee West and Jessica McMeekin. At the end of the first half of the season our B grade girls are sitting on 2nd place on the ladder. Super proud of these girls. This week will be another tough game against Griffith with only a winning margin of 1 last game.

C Grade | Tracy Schulz-Cole

Last weekend seen us play an away game against Turvey Park.

After a slow start in the first quarter, the girls reset at the quarter break and focussed on our set plays and what we have been working on at training. From there on there were some good passages of play and transition down the court, with our last quarter being the best. The mug this week was awarded to Georgie Yates. She continually kept winning the ball for us in the defensive end with intercepts and rebounds and kept sending it back down the court into our attacking end. The towel was awarded to Ana Toupas. She also played a tight game in defense and adjusted her game accordingly as required. Well done both players! We welcome Griffith this weekend. As we move into the second half of the season, I look forward to an improved result from our first round results against them. All the best to all teams this weekend. Go Mango!

Under 17's | Ash Reynoldson

The 17s girls won to Turvey 41-20 on Saturday. The girls had a bit of a slow start with a wet court and bit of rain but as they adjusted to the weather they started doing the basics well. Our best on court this week went to Ava Spencer. Av is one of our most consistent players, she plays centre for us each week. Her accuracy and smartness when feeding the circle, agility and defensive pressure is very impressive for her age. Our second best on court went to one of our shooters Olivia Bryant. Liv's strength in the circle, accuracy shooting and setting up plays is a real asset to the team. Next week we come up against Griffith who we went down to by 10 last time so will be a great game if anyone wants to come early and watch. Goodluck to all other teams!
